Displacement 10,000 lbs.  
Ballast 4,000 lbs.  
**CUTTER** Sail Area 437 sq. ft.  
**RIG** Designer Carl Alberg

The Cape Dory 30 was designed by Carl Alberg to meet the needs of the serious cruiser. The CD30 is available with 2 interiors . . . the standard, layout A and optional, layout B. Layout B features most of the Cape Dory 30 standard equipment features PLUS . . .

- huge forward head with drawers, lockers and a teak shower grate. Plus a shower.
- complete with sump and pressurized water.
- Option B features a U-shaped galley with a large ice box plus generous storage areas . . . a
- navigation station with an electronics and gear storage cabinet.
- The main cabin berths (1 double and 1 single) are 6'6" long with a
- fixed, drop leaf table, between them.

Painstakingly crafted teak accents the warm, roomy interior. Ventilation and light are provided by bronze opening ports and hatches. In addition to sails, other standard equipment includes diesel auxiliary, lifelines and pulpits and exclusive Cape Dory designed bronze hardware.
