

CAPE DORY

a standard of value

Cape Dory 30

... from her sturdy bowsprit to her spacious self-bailing cockpit, the Cape Dory 30 is a standout cruiser. Her cutter rig is exceptionally efficient on all points of sail ... and ideal for short handed sailing.

Carl Alberg designed the Cape

Dory 30 to be a picture of grace and motion ... under sail or at a mooring.

The Cape Dory shares a proud position with over 3000 *full keel* yachts built by this owner operated company during the past 17 years. And in the Cape Dory tradition of quality ...

she's finished as a fine yacht with ample use of teak and custom-cast bronze hardware. A solid sailboat; a solid investment. A pride to own. Before you decide on any boat ... inspect a Cape Dory to fully understand how seaworthy, lively boats are built.

CAPE DORY YACHTS

205 Middleboro Avenue, East Taunton, MA 02718 (617) 823-6776
