

# Introducing the Spartan "10"

## D1010

A thoroughbred Sailing/Rowing Dinghy of proven performance. Over 2,000 dinghies have been built during the past 20 years to this design. Most of the boats built are still in service, attesting to the sound design and construction method.

Hand-laid fiberglass hull. Full flotation. Solid Mahogany rails, thwarts and transom. Anodized aluminum spars. Dacron sail. Cast bronze hardware. Buff non-skid interior. Epoxy coated bottom.

## Fine Maine Craftsmanship

A True Small Yacht, Spartan Marine's 10 foot dinghy is a joy to row or sail. Her versatility makes her a perfect boat for all ages. Children learn to row and sail with confidence; adults are delighted by her spirited performance.

Based on the traditional Whitehall, her fine lines, hollow bow and wineglass transom recall the grace of a by-gone era. She is nimble, fast and forgiving under her easy to handle sliding gunter rig. Able and comfortable rowing through even the nastiest chop. Civilized under tow.

## Specifications

L.O.A.	10' 6"
Beam	49"
Draft	6" to 24"
